Re: Blumenthal Water Line Project

To Whom It May Concern,

You are receiving this letter because you have shown interest in the contemplating water expansion that is taking place east of Hague.

The SVRWU held an open house about this topic on October 1, 2015. With the amount of interest that was shown at the meeting, we have decided to go ahead further with this project. If you are interested in connecting to the SVRWU line, we will require a commitment deposit of \$500.00, along with the signed waiver that is attached to this letter. This deposit is refundable until the project begins the engineering stage. The deposit, along with the signed waiver, need to be received at the R.M. of Rosthern office on/before Friday, November 13, 2015.

A meeting will be held after we have the deposits and waivers in hand and have worked out the finer details. The date, time and place of the meeting have not yet been determined. We will notify you when we have all the details.

If you know of anyone else in the area that is interested in this project, but may have not received this letter, please have them contact the office. You can find more information on our website at rmofrosthern.ca or by calling the office at (306) 232-4393.

Sincerely,

Josie LaChance

Josie LaChance
SVRWU Office Assistant

Blumenthal Water Line Project

Commitment Waiver

I/We _____ of _____
(Print Name) *(Legal Description)*

enclose here with a payment of \$500.00 as my/our commitment to the Sask Valley Rural Water Utility (SVRWU), Blumenthal Project.

I/We understand that this amount will be refunded to me/us should the Utility Board not receive the necessary support from the area to commence this project.

I/We also understand that once the project has been commenced, with the hiring of an engineer to prepare the project for tender, my/our deposit is non-refundable.

It is understood that I/We may withdraw from the project at any time up to the deadline for full payment (but will not be refunded the \$500.00 deposit), which will be set by the Utility Board prior to awarding the construction contract for the project.
