

WHAT IS VOYENT ALERT!?

Voyent Alert! is a community alerting service provided by the Sask. Valley Rural Water Utility. It is intended to keep you informed regarding any critical events or status updates related to your water services. The service is free to use, and current subscribers to the SVRWU have been pre-registered with the contact information we have on file. If you wish to unsubscribe from this alerting service you can do so by logging into your account at login.voyent-alert.com or by calling the SVRWU office at 306-232-4393.

WHAT CAN YOU EXPECT

NOTIFICATIONS ANYWHERE / ANYTIME	Voyent Alert! provides informative communications anywhere and anytime. If you are away from home and an issue impacting your water services arises, that might impact your home or rental property, you can still be notified and able to take action.
PRE-REGISTERED	The SVRWU has pre-registered you to receive these notifications based on the contact information we have on file associated with your account. No additional action is required. If you wish to be unsubscribed from this service let us know at 306-232-4393.
COMMUNICATIONS YOUR WAY	Receive alerts over a wide variety of communication channels including mobile apps, text/SMS alerting, email or voice dial. You can register to be notified over additional communication channels through the instructions below.
NO MESSAGE FATIGUE	Smart alerting capabilities ensure that you will only get notified when a communication is relevant to your or one of the locations you are following.
TEST NOTIFICATION	We will be sending out "test" alerts during the next couple of weeks to confirm system operation and contact data.
